940,00 EUR

IMMEDIATELY AVAILABLE

Handcrafted over 70 days - This piece is ready to ship now

DIMENSIONS

44 x 43 x 79 cm

WEIGHT

7 kg

OVERVIEW

The Armata Armchair was conceived to make hard materials such as wood and iron feel welcoming. It combines reclaimed scaffolding boards, steel reinforcing bars originally used in concrete structures, and wood from old Sicilian wine barrels. The reddish tones of the legs are not an applied finish: they come from wine absorbed by the wood during its previous life. The combination of materials and their original traces gives this handcrafted chair its distinctive character, making each piece different from the next.

DESCRIPTION

The Armata Armchair was conceived to make hard materials such as wood and iron feel welcoming. It combines reclaimed scaffolding boards, steel reinforcing bars originally used in concrete structures, and wood from old Sicilian wine barrels. The reddish tones of the legs are not an applied finish: they come from wine absorbed by the wood during its previous life. The combination of materials and their original traces gives this handcrafted chair its distinctive character, making each piece different from the next.

SPECIFICATIONS

Wood and Iron

DIMENSIONS & WEIGHT

Dimensions: 44 x 43 x 79 cm

Weight: approx. 7 kg.

MATERIALS

wood and iron

COLOR

Honey, dark brown

CUSTOMIZATION

The design can be reinterpreted on request using other available reclaimed materials selected together with the artisan. The new armchair will retain the identity of the original model while featuring different grain patterns, tones and details.
