

Iron and Wood Shelving Unit

BOOKCASES / ALGRANTILAB / MADE IN ITALY

10 790,00 EUR

IMMEDIATELY AVAILABLE

Handcrafted over 60 days - This piece is ready to ship now

DIMENSIONS

210 x 35 x 270 cm

WEIGHT

150 kg

OVERVIEW

The Iron and Wood Shelving Unit combines the strong presence of metal with the natural surfaces of reclaimed wood. Its marine plywood uprights are clad in old metal sheets recovered from a disused metal factory in Abbiategrosso, while the shelves are made from reclaimed scaffolding boards left in their natural state. Oxidation, wood grain and irregularities are not concealed or made uniform: each element retains its own history, creating a combination of materials that cannot be reproduced exactly.

DESCRIPTION

The Iron and Wood Shelving Unit combines the strong presence of metal with the natural surfaces of reclaimed wood. Its marine plywood uprights are clad in old metal sheets recovered from a disused metal factory in Abbiategrosso, while the shelves are made from reclaimed scaffolding boards left in their natural state. Oxidation, wood grain and irregularities are not concealed or made uniform: each element retains its own history, creating a combination of materials that cannot be reproduced exactly.

SPECIFICATIONS

Iron and wood

DIMENSIONS & WEIGHT

Dimensions: 210 x 35 x 270 cm

The section with the writing desk is 51 cm deep.

Weight: approx. 150 kg.

MATERIALS

Iron and wood
